Water Leak Detection

One of the major causes of insurance claims in apartments, hotels, retail premises and commercial buildings is water damage.

HOCHIKI LEAKalarm systems are designed to protect areas where water ingress could cause serious damage and loss.

FPA AUSTRALIA
BOARD ELECTIONS 2019

With over 35 years Fire Industry experience our Director ROD SKUSE is up for nomination on the FPA Board.

Many of you know Rod and appreciate what he can bring to the FPA Board, representing us all at a National level.

If you've received an email from FPA please remember to vote by 17 October.
