

STI External Lighting & CCTV Cages

STI9627

STI-9627

PRODUCT OVERVIEW

These steel cages are designed to protect a variety of equipment including CCTV cameras and external lighting from vandalism and misuse. They are easy to install with full fixing kit provided. Constructed from plastic coated, heavy-duty galvanised steel rod, they can cope with the severest of abuse from vandalism and accidental damage.

HOW IT WORKS

A simple 4 fixing point installation makes them easy to mount, and removal is simple for servicing the protected device. They are highly recommended for areas where abuse is severe or it is imperative external lighting and CCTV cameras continue to operate.

Dimensions - H 400 x D 400 x W 400
